SERVING THE COLLIN COUNTY AREA

CFT has been supporting donors and nonprofits in the Collin County Area for decades. Over the past 15 years, Collin County, along with all of North Texas, has always been extremely generous. Communities Foundation of Texas has made more than 9,321 grants to 900+ organizations in Collin County, totaling more than \$100 million.

NTX GIVING DAY IMPACT

In Collin County, \$8.5 million was donated to 421 Collin County nonprofits, which was a 20% increase in 2021. Additionally, a total of 14,393 Collin County donors gave on NTX Giving Day.

COLLIN COUNTY ASSESSMENT

In an effort to support nonprofits and community leaders with actionable data, CFT released the 2020 Collin County Economic Opportunity Assessment in October 2020. We are proud to have partnered with JPMorgan Chase in the presentation of this assessment, conducted by Every Texan, for Collin County. While it's too early to see the full impact of the pandemic on Collin County, the report provides some early economic indicators of how residents are faring in terms of employment, affected job sectors, and health insurance coverage. We believe it can be used to outline both the strengths and challenges for Collin County communities as they move forward in this new environment.

As the largest community foundation in Texas, we manage more than 1,200 charitable funds entrusted to us by individuals, families, businesses, and nonprofits. Founded in 1953, we are a 501(c)(3) nonprofit organization dedicated to connecting community needs with the people and resources that can best meet them.

With almost 70 years of expertise, we have granted \$2.2 billion to nonprofits and have deep knowledge of the issues and communities you care about. Our annual grantmaking typically exceeds more than \$100 million and we vet 5,000+ nonprofits.

In all that we do, we aim to improve the lives of all people in our community by investing in their health, wealth, living and learning. We accomplish this by growing community giving, expanding community impact, and advancing community equity.

DONOR IMPACT

Collin County residents, Ann and Taoreed Badmus have been engaged in philanthropy individually, as a couple, and now as a family through the Badmus Family Charitable Fund at CFT. "We wanted to involve our children in our charitable giving plans beyond our lifetime from the very beginning," said Taoreed.

They had initially discussed establishing a private foundation to manage their philanthropy, planning to eventually pass that on to their children, but discovered they could have a fund in their family name at CFT to accomplish their charitable goals – with the added value of the guidance and resources of CFT, and without the administrative work.
