

2018 Letter of Inquiry: Environment

Application Deadline: June 1, 2018 at 5 PM

Funding Priorities and Eligibility

At CFT, we believe that a thriving community is one in which all people feel cared for, invested in, nourished and valued, and have an equitable opportunity to contribute to the well-being and growth of themselves, their families, and their communities. CFT's Letter of Inquiry (LOI) process supports programs that address needs across the North Texas region and which:

- train/educate/engage on an issue or topic relevant to the community
- utilize best practices, data, or proof-points of success
- provide or expand direct services or access to resources like transportation, education/schooling, housing, healthcare, and work opportunities to an area of the community with substantiated need

Additionally, we look to fund programs that either:

- address a particularly timely need
- are strategic and data-informed
- offer innovative or creative solutions to a key community challenge
- collaborate in a way where the whole is greater than the sum of its parts, or
- demonstrate ability to create measurable impact

To apply to CFT's Letter of Inquiry process, your organization must meet the following eligibility requirements:

- have a 501(c)(3) tax-exempt designation from the Internal Revenue Service that has been active for at least two years as of September 1, 2018.
- at least 50% of the population served must reside in Dallas, Tarrant, Denton, Collin or Rockwall Counties.

Church and religious organizations' programs that are focused on evangelism are not eligible.

Environment Criteria

In 2018, CFT will support environmental programs that incorporate or impact one of the following areas: arts, education, equity, health, or preservation. Priority consideration will be for programs that include at least one of the following:

- arts: building community awareness, understanding and engagement of environmental issues through arts, cultural events, and creative processes
- education: engaging youth with environmental issues, building and engaging environmental youth community
- equity: addressing equitable environmental practices
- health: improving the health of individuals, communities, or the ecological environment via sustainable development, urban agriculture, or preservation of the natural world
- preservation: adding value to communities by preserving and protecting the land and its biodiversity.

Application Process

Please email your completed Letter of Inquiry (LOI) to grants@cftexas.org by 5 PM on June 1, 2018. If it is helpful, you may mail (or drop) the LOI to CFT Offices at 5500 Caruth Haven Lane, Dallas, TX 75225. All applications must be received by 5pm on June 1, 2018. Applications received after the deadline will not be considered. Applications submitted by facsimile will not be accepted.

LOIs are initially reviewed by a staff subcommittee. Applicants will be notified if more information is needed regarding the funding request. The Foundation's Board of Trustees makes all final decisions regarding approval of grant recipients. All agencies will be notified about Environment discretionary grants by October 2018. If you have questions about the LOI application process, please contact grants@cftexas.org or 214-750-4229.

Please complete the following two-page LOI. Please do not use a font smaller than size 10 to fill in the form. No additional attachments or narrative is necessary.

2018 Letter of Inquiry: Environment
