

BECOME A NONPROFIT PARTNER

Over the past 18 years, CFT for Business has created services and programs dedicated to “Doing Good” in North Texas. CFT4B has helped more than 300 businesses of all sizes to engage in the community. We regularly connect our members to new nonprofits.

The need for each nonprofit is different, so CFT4B has many ways to get involved, such as:

- Host a Volunteer Service Event
 - Volunteer service events offer multiple companies an opportunity to come together to serve. They are open to all CFT4B member companies and are included on the CFT4B community engagement calendar.
- Host a custom project
 - Custom projects are requested by a specific company for its employees. We connect companies with a nonprofit organization that aligns with their goals and mission.
- Become a Freedom Day site
 - On 9/11, CFT4B hosts an annual day of service in recognition of the courage and bravery of the men and women who fight for our freedom and those first responders who protect us. We dedicate this day of service to them by supporting local organizations that provide essential services to veterans and their families and first responders.  - Supply drives are designed for your organization and its needs. They are open to all CFT4B member companies and are included on the CFT4B annual calendar.
- Participate in North Texas Giving Day
 - North Texas Giving Day is an annual event hosted by Communities Foundation of Texas that encourages the community to give to nonprofit organizations. Learn more at northtexasgivingday.org.
- Company Partnerships
 - We align the business goals of the company to those of the nonprofit. We can connect your organization with a company that is looking for a deeper partnership.

 - We will share opportunities with CFT4B members who fit your board needs. Let us know your needs by contacting us and we will send the [link to complete our form](#).
- Engage through VolunteerMatch - our technology partner
